

## Pitch Delivery

### Your Professional Delivery Team

A stellar pitch delivery and follow-up interaction can result in contracts worth 200-1000% or more than your original bid price.

The right delivery team coordinates a superb lead-up and an amazing delivery, and facilitates a discussion with the client to achieve a win.

Your business can grow in leaps and bounds if it has professional pitch delivery support. A professional winner joins your team to help capture business and growth.

Global experience on your team helps you:

- Win more business
- Negotiate higher prices
- Deliver better presentations
- Communicate fluently and clearly with your clients
- Develop global solutions to secure business
- Understand contract details

Global companies expect global experience.

Effective pitch delivery means:

- A Professional presenter joins your delivery team
- Lead-up discussions & guidance with your client
- Serious strategy discussions for A++ performance
- Coaching your experts for delivery support
- Follow-on coordination to secure contract
- Negotiations support for guided success

Acquire Sales has experience delivering pitches, coaching through client negotiations, and securing business much greater than the initial project bid price.

Create a global team and deliver.

Contact Acquire Sales and create your professional pitch delivery team and always deliver a stellar performance with a professional team.
