

## Proposal Review & Enhancement

### You're Good – Will You Win?

Will your proposal win if every competing proposal has the same price?

Deliver outstanding value at any price with an enhanced proposal. Ensure your proposal proves you're the best. Win global accounts. Build your business with winning proposals.

Acquire Sales helps you communicate your outstanding value. Our clients are highly capable and compete for global business & major accounts.

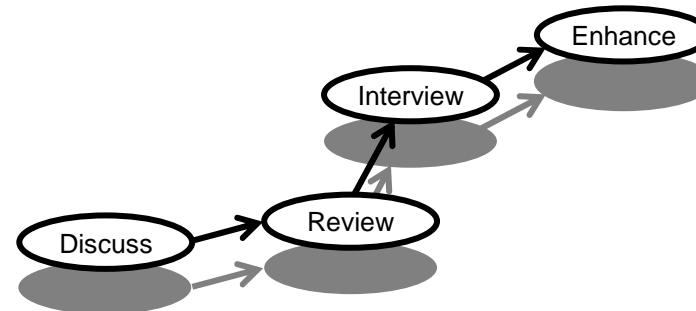

Enhanced proposals:

- Win more business
- Compete at a global level
- Identify & satisfy hidden client needs
- Get recognized as top contenders
- Highlight your capabilities
- Create a better relationship with your prospect
- Build brand awareness

A proposal review & enhancement is more than just a proofread. Take your proposal to the next level and win.

Proper proposal review and enhancement requires:

- Multiple reviews and enhancements
- 1-4 weeks of serious effort
- A native language speaker
- A global perspective with global people
- A neutral party to ensure critical evaluation

Contact Acquire Sales to discuss how to enhance your proposal for international competitions. Be sure to include the critical components every proposal must have.
